Lyra

BUDGET SUMMARY

Lyra library system: pricing and terms

Your school's library is considering Lyra, a library system for K–12 schools. This page covers its cost, billing terms, and data privacy, for your budget review.

P800 **Up to 800 patrons**

Patrons are the students and faculty who can check out items.

Cost

TERM	BILLED	TOTAL	PER YEAR	SAVED VS. PAYING YEARLY
1 year	Every year	$2,295	$2,295	None
2 years, prepaid	Once, every 2 years	$4,040	$2,020	$550 (12%)
3 years, prepaid	Once, every 3 years	$5,505	$1,835	$1,380 (20%)

- 2- and 3-year terms are paid up front and price-locked for the whole term.
- No setup fees. Data migration from your current system is free. Prices in USD.

COMPARE WITH YOUR CURRENT LIBRARY SYSTEM

Lyra	Up to 800 patrons, 1-year term	**$2,295**	per year
Current system	_____	$ _____	per year

What's included

Every feature at every tier, with no add-ons.

- Cataloging by ISBN, MARC, Excel, or CSV
- Books and devices on one barcode system
- Spine labels, barcode labels, and patron cards
- Roster sync over OneRoster or spreadsheet
- Cover images
- Circulation, holds, and inventory
- An online catalog students search themselves
- Overdue and hold notices to guardians
- Staff sign-in with Google or Microsoft
- Hosting, daily backups, and automatic updates

Billing

- Pay by credit card, charged automatically each term, or by invoice.
- One invoice per term, due in 30 days (60 on request), payable by card.
- If your school uses purchase orders, send us the PO number and we'll put it on your invoice.
- Renewal can be anchored to any month. Most schools pick July or August.

Data and privacy

- Built for FERPA and COPPA.
- US data residency.
- Export your data at any time.

Data Processing Agreement: lyralibrary.com/dpa
Security: lyralibrary.com/security
Subprocessors: lyralibrary.com/subprocessors

If you cancel

- Service runs through the end of your paid term, and you can export everything.
- Annual terms aren't refunded mid-term. Multi-year prepay is non-refundable.
